Dear Parents / Carers

End of Spring Term Newsletter

I've just read what I wrote in January. This term has been a roller coaster of a ride for me and I sincerely thank the people who have said such kind things. As I said before, I'm a very lucky man.

Our first Saturday club is next Saturday, 6th April (10-12pm). The idea is that you come and stay with your child in a relaxed environment. We will see how it goes in our new build.
